

from the **CHAPLAIN**

'As we kick off into this new season of soccer, we have much to be grateful for. It is a blessing that once again we are able to enjoy the thrill of teamwork, competition and celebration as a WACFA community. Well done, everyone, for your efforts in moving this season forward! Now that we are here, it is our desire that God gets maximum glory through our lives on and off the pitch. We want to represent him well through our strong competition and great enjoyment of this beautiful game.

Please pray with us toward this end

'Heavenly Father, thank you for the privilege of beginning this season with You. We pray for your blessing and protection over our competitions from the youngest to the oldest. We invite your presence onto the soccer pitches, into our conversations and throughout our clubs. May you be our motivation and our joy from the opening whistle to the final goal. In Jesus' name, Amen.'
