Addendum to WACFA By Laws - Mens Competition for 2024

3/4/24

This document is to be read in conjunction with the rules and regulations as stated in WACFA By Laws except the following will take precedent where there is a conflict between the two documents.

Competition Format

One league division of 12 teams played over 19 weeks (rounds).

The competition will consist of a fixture of 11 weeks of home and away league matches played over a "round robin" format generated by "Squadi" (Football West Fixtures Software). Each team will have at least 5 games at their home venue , however as there are 11 weeks of competition some teams will have 6 home games.

The remaining 8 weeks will be similar with Squadi generating the fixtures as for the first 11 weeks. This will mean some teams will play each other twice and others will only play once.

The team finishing top of the league table will be crowned League Winners (Premiers). There will be a league runner - up awards for the second placed team.

At the completion of the league rounds, the top four teams in the league will compete a final series. 1st place in the league table to play 4th place and 2nd place to play 3rd place in the semi-finals. Losers of the semi-finals games are eliminated and winners progress to the grand final. Winning team of the grand final will be awarded A Grade Cup Winners and the loser Runners - Up.

Similarly, the 5th placed team to the 8th placed teams will compete in a final series for the B Grade Cup. ie. 5th place in the league table to play 8th place and 6th place to play 7th place in the semi-finals etc
